

Notice under 35 U.S.C. § 287(a) in accordance with the virtual patent marking provisions of the America Invents Act.

Cloud Software Group products and services are protected by one or more corresponding U.S. patents, and in many cases, patents in other jurisdictions across the globe. A listing of U.S. patents protecting corresponding Cloud Software Group products and services is provided below.

Additional granted or pending Cloud Software Group patents may protect the identified products and services, or other Cloud Software Group products and services not listed, which may also be protected by one or more of the listed or other Cloud Software Group patents.
